John P. Thompson, clerk of the District

court, and J. H. Blair, gave certificates of

character to J. H. Blair, which were published

in an advertisement in the Courier of Monday.

John P. Thompson is a cousin of Hon. John

B. Thompson, and both he and Mr. Blair are well

known to the country. We do not know

Mr. Blair's politics, but John P. Thompson is an

and always has been an American. These men are as

sailed in the Journal as liars and villains by R. F.

Blair for their certificates. They are chivalrous

and honorable gentlemen, without reproach, and

may make some of the party who makes it,

and the channel through which it is made.

The Do Riviere Affair.

The principal topic of conversation last evening

was the Riviere affair, in New York, the full

particulars of which were published in our evening

paper. While conversing with a friend who

with Col. Mount while he was in this city, searching

for the runaway, he related to us a piece of

information regarding the "forfeiture" of the

"forfeiture" which was not altogether new to

us, and about which we had privately expressed

some doubts. He stated that a certain friend

with Colonel Mount, at the St. Charles Hotel, the

Colonel related to him that De Riviere

was related to him in the manner in which he had

discussed it.
